*Copy*

25X1

1. Between 3 and 12 August 1952, the area of Cruenhaus, near Finsterwalde (H 52/A 15), was evacuated by troops who, sources believed, moved to the area of Hohenleipisch. The area of Fuergerheide was also evacuated. No departures were noticed. The telephone lines previously seen were still there.

25X1

2. On 12 August, 4 boxcars with soldiers, 6 flatcars with cable reels and 1 railcar kitchen and 9 trucks with poles [redacted] were loaded at the Finsterwalde railroad

25X1

station. The cars were coupled to the regular freight train which left in the direction of Dobrilugk at 4 p.m. \*

25X1

3. [redacted] three eastbound trains transporting personnel were dispatched in Teimer (H 51/J 57) on 13 August, and one train transporting personnel was dispatched on 11 August. \*\* Another train carrying soldiers wearing red-bordered black epaulettes and 12 x 37-mm AA guns and 20 trucks

25X1

[redacted] was also dispatched on 11 August. \*\*\*

25X1\*

Comment. The numerous trains departing from the area of Littenberg between 4 and 10 August tend to indicate that the command post exercise had terminated.

25X1

[redacted] the unit entrained on 12 August belongs to the GDR.

25X1

\*\* [redacted] Comment. Probably discharged soldiers. A report from Koenigsbrueck indicated that the First Gds Regt ceased to receive personnel for discharge.

25X1

\*\*\*

[redacted] Comment. [redacted] a unit of the Eighth Gds Army.
